WEATHER SYNOPSIS BY REGION

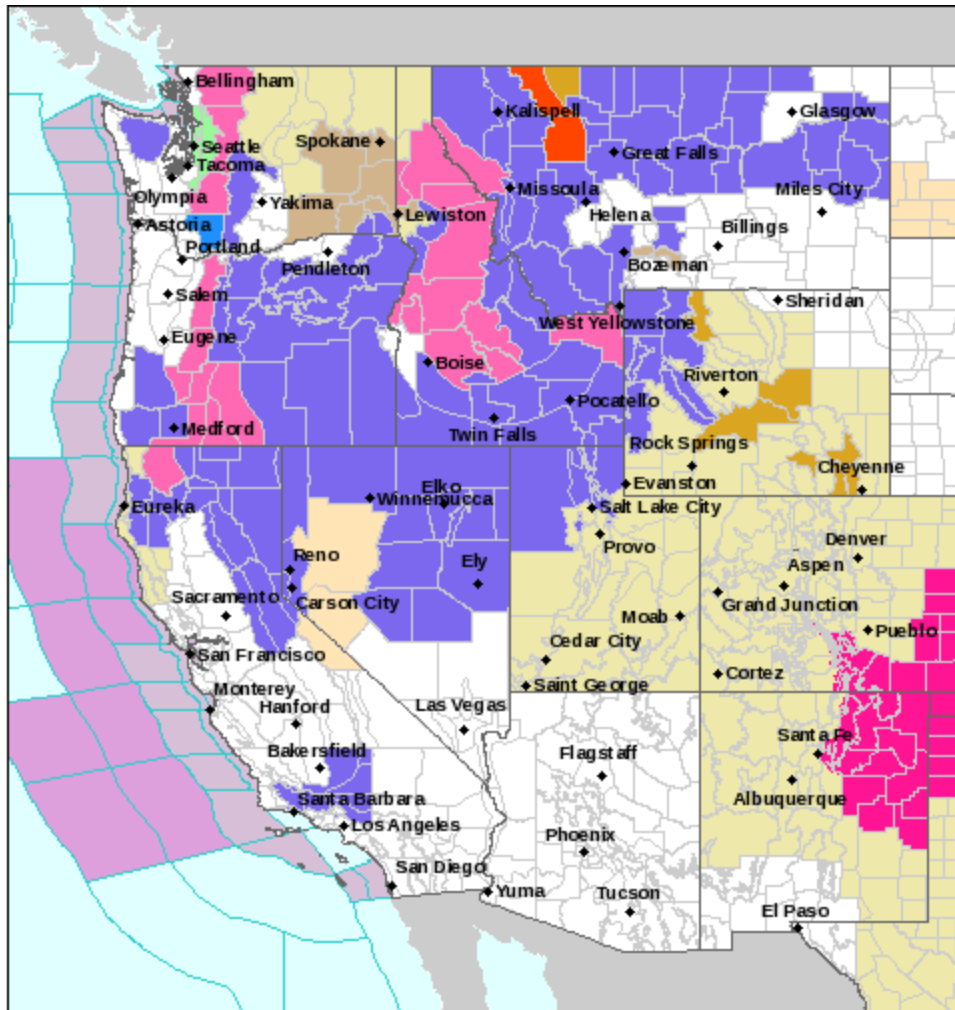

NORTHERN CALIFORNIA

Below normal temperatures will continue. Additional systems this week will bring more widespread precipitation with low snow levels. The first system, with very low snow levels, will move into the region tomorrow afternoon through Tuesday. Current readings range from the single digits to teens in the mountain valleys to the 30s and lower 40s in the Central Valley.

SOUTHERN CALIFORNIA

Tonight will be another round of very cold temperatures in wind sheltered areas. Breezy winds and a chance of light precipitation return to the region tomorrow and Tuesday then again Thursday through Saturday. Snow levels will be at or below some passes at times this week. Dry and little warmer on Wednesday, then cool and breezy.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2018-LAW-45400, 02/24/18, 1236 hours:** The International Emergency Response Coordination Center (IERCC) notified the LDO of an InReach activation in Fresno County. The RO reported his motorcycle had broken down in the backcountry and he needed a tow truck. I directed IERCC to see if they could find him one. All tow truck companies denied the request saying the area was too remote. The motorcyclist was still asked for assistance so we contacted Fresno County Sheriff's Office. Fresno County offered to go and assist the motorcyclist but not retrieve his motorcycle. That is when the rider confessed he was with other vehicles and was not in need of rescue only a tow truck. Apparently he had already tried to call a tow company and even the Sheriff's Office for assistance; when no one would send him a tow truck, he activated his InReach Device after speaking to Fresno County SO, the rider decided to cancel his activation, IERCC was notified. **Mission Closed.**
- **2018-LAW-45387, 02/23/18, 1052 hours:** Nevada County Sheriff's Office requested Type I and Type II Searchers for an evidence search in the area of Forest Hill Bridge near Auburn. Placer County Sheriff's Office will fill the request. The operational period will be 02/24/18 at 0800 hours. **Update, 1700 hours:** The search was concluded by 1700 hours. **Mission Closed.**
